Young Leaders
Principal : Hendrika Green
On Monday Mrs Dyszel took a band of very excited School Captains, Vice-Captains and prefects to the National Young Leaders Day where they had an excellent day being inspired in leadership.
It was an excellent opportunity for our students to hear from young leaders of Australia, and to see where leadership can take them into the future. Our students showed their leadership, were excellent ambassadors, and a real credit to their families and our school. Well done leaders!

Parent Teacher Interviews
During the last few days of last week, and for the next few days of this week, parents and carers have been (and are) meeting with teachers to discuss the manner in which their children have settled into school this year. This opportunity to speak with teachers regarding progress to date in learning, concerns or specific interests, together with the implementation of new syllabus and its impact on learning outcomes, is an important part of our school community working together to support all our student needs. The expertise and efforts of our teachers in preparing for these individual interviews and the commitment by families to attend is greatly valued and reflects the continued partnership we build as a learning community. Thank you one and all for your support of this valuable initiative of our dedicated staff.

Congratulations Kaili
Congratulations to Kaili who competed at the 2015 State Age Surf Lifesaving Championships.
Her Elouera U8 Wade Relay Team finished in 2nd place and received a silver medal in recognition of their achievement. It is great to see our students achieve successes, both at school and in the wider community. We are proud of you Kaili!

Happy Long Service Leave
We wish Mr Rick Moriarty and Mrs Hazel Dryburgh all the best for their long service leave!
Mr Moriarty plans to spend time down south, and to relax and enjoy life as he looks forward towards his retirement. Mr Moriarty has been a part of our school since 1991, and is familiar to many families of the area. I am sure you will join me in wishing him all the very best for his well deserved rest.
Mrs Dryburgh is also taking a well deserved break from the busy-ness of the school office and will be enjoying her break for a few months. She too is wished all the very best for her well deserved break. We will miss her smiling face and helpfulness in our Office area!

Wellbeing can be defined as the condition of being contented, healthy, or successful; and is a welfare matter. Of course we want all students of our school to feel happy to be here, healthy and successful learners.

Helping students to focus on their wellbeing, are the focus points on our award system where students aim towards improving levels of responsibility for looking after themselves and taking care of others, to make safe choices—ensuring they act in a manner that does not put themselves or others in danger, being sensible in their choices and actions, taking care of the environment in which they live, work and play and using strategies to build their resilience.

Wellbeing can be related to many aspects of our lives—having a group of friends can help us to have a sense of belonging and can improve our sense of well-being. Continuing to build skills in the students of our school means they can take some important steps towards knowing they too can impact their own sense of wellbeing — an important skill for life.

**From the Office**

Please return underwear and other clothing provided to your child when they have had an “accident”.

We have a very limited supply of items to use for this purpose and when these items have not been returned we find we are unable to help the next child with the correct size.
Throughout the school year, teachers focus on developing skills to building positive relationships among peers—some children learn these through experience and others need to be taught these skills specifically in order to apply them. The focus of our teaching points will last for blocks of two weeks, and will be placed in the newsletter

Parents, we ask that you too go through these skills with your children, and discuss the dos and don’ts. Perhaps you can ask them if they have tried some of the strategies and what the result was. Children learn best when they are supported from both school and home with a consistent message. Your assistance is greatly appreciated.

Newspaper skills

Practise to be a journalist

This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist. [http://www.fodey.com/generators/newspaper/snippet.asp](http://www.fodey.com/generators/newspaper/snippet.asp)

Crossing Supervisor and Gate Opening Times

The crossing on Cambria Avenue is manned from 8.30—9.30am and 2.45—3.45pm by the appointed RTM Crossing Supervisor who will open the Cambrai gate at 3.20pm. Please do not ask for this gate to be opened early If you need to come in earlier, please come through the Office. The other school gates will be opened shortly after the bell at 3.30 by the teacher on duty. Please be patient as the teacher needs to take care of her class and make his/her way to the gate. Please note that the Dernancourt gate will be closed just before the bell in the mornings for safety reasons.
Engadine Public School will be having a special ceremony to commemorate the 100 years since the ANZACS landed at Gallipoli and fought for the freedom of our land. The Spirit of the Anzacs was strong at that time and lives on today. Our school service will commence at 12:15 pm on Friday 24 April, 2015. We will be looking for floral tributes for this special event.

Leading up to this event we will have a memorabilia display and discussion time for the students on April 23. This display is at a cost of $3 per student. This display and opportunity to see real medals, army outfits and equipment is hoped to make the celebrations on Friday more relevant to the children’s understanding.

The school is also invited to take part in the community march on April 19, 2015. This march is to commence at the water tower, and will be led by school leaders.

Marchers Assembly Area: John Keenan Park (Water Tanks) Old Princes Highway, Engadine

**Forming Up Time: 1.55 PM**

**Step Off Time: 2.15 pm**

As this is a special occasion commemorating 100 years of the Spirit of the Anzacs, it would be great to have a representative contingent of school students—dressed in school uniform, representing our school. School staff will be available to support the children.

Additonally, a Special Centenary of ANZAC Dawn Service will be conducted on Saturday 25th April 2015 commencing at 5.30am at the Engadine Community War Memorial in the Engadine Town Square.

Again, school leaders will be representing the school at this ceremony. It would be lovely for them to have the support of their peers.

Last years leaders felt it was a valuable opportunity to represent our school, and be part of the community celebrations—as a school we were very proud of the manner in which they conducted themselves—they were excellent ambassadors for our school community.

### Menai Warriors Rugby Union Club

**2015 Registrations**

The Menai Warriors Junior Rugby Union Club has been successfully offering a fun and rewarding rugby experience for kids in the Menai, Sutherland, Revesby, Holsworthy and Engadine areas for nearly 15 years. This year we now have a seniors side for the first time.

Our home ground at The Ridge playing fields, Barden Ridge offers modern facilities and parking amongst the best in south-western Sydney.

In 2014 we had great success across all teams, with our premiership-winning U16 team becoming the Menai District Junior Sports Team of the Year. Many players have gone on to representative honours including Sydney and ARU Junior Gold Cup teams.

**Players Wanted – All Ages**

Opportunities to play in all age groups from U6 to Seniors are available. No prior rugby union experience necessary.

**Friday Night Games**

Many of the minis and juniors games take place on a Friday night. This allows kids to try rugby in addition to their current winter sport, and assists in balancing other family demands.

**No Tackle for U6 and U7**

As a safe and fun way to introduce boys and girls to rugby, these age groups play two handed tag. Led by qualified coaches, the focus is on skills and enjoyment.

**Minis and Juniors Registrations**

Afghanistan and Middle East Memorial Service, Engadine War Memorial on 21 March 2015

On 21 March 15, a National Commemoration for the end of Operation SLIPPER will take place. Op Slipper was Australia’s whole-of-government mission in Afghanistan and the Middle East, which commenced in October 2001.

In Sydney it will include a Parade along George and Bathurst Streets, commencing at 10.00am, followed by a Commemorative Ceremony held around the Pool of Reflection at the ANZAC Memorial, Hyde Park, commencing approximately 1130am. There will be a fly-past during the course of the Parade and the Reviewing Officer, the Governor of NSW, on the steps of the Town Hall, will take the salute.

For those unable to attend the parade, the Engadine RSL Sub Branch will be conducting a memorial service at the War Memorial commencing at 10.00am.

The purpose of these events is to provide the public with the chance to thank all those who deployed as part of the International Coalition Against Terrorism; Recognising their commitment and remembering those who paid the ultimate sacrifice.

APHEDA VANUATU APPEAL

On the 14th March, the largest cyclone to hit the South Pacific tore through Vanuatu. It caused widespread destruction displacing 70% of the population and destroying 90% of all buildings. Dangerous levels of global warming is at the heart of more severe storms in our region, leaving our Pacific friends increasingly vulnerable to coastal salt water flooding, destroying crops and food supplies.

80% of Vanuatu’s population depend on agriculture and fisheries for their livelihoods. The cyclone has severely impacted on these livelihoods, destroying root crops, fruit and leafy crops and fisheries. Once the initial emergency has passed, people will need help to replant their gardens and orchards, replace their lost seed stocks, and re-establish aquaculture production.

Union Aid Abroad-APHEDA is raising funds to assist with the medium term recovery in Vanuatu. Funds raised will be spent on re-building of housing and household water supplies and helping households re-establish crops and small scale food production.

Please give generously.
