Education Week 2015
Hendrika Green, Principal

We look forward to an exciting time on Thursday July 30, when we open our school for our parents, carers, family and friends. We look forward to seeing all our visitors share time with us and see some of the wonderful items students have been working on throughout the year. Our day starts with classroom doors opening from 9:00 am. Please come along, help your child to feel most important, view children’s work and be prepared to be entertained by our students’ many talents.

Healthy Bones Action Week—3 to 9 August 2015

Healthy Bones Action Week encourages people of all ages to protect their bones. Take the following actions to build and maintain healthy bones:

1. Increase daily serves of calcium through milk, cheese or yoghurt
2. Go for a walk or commit to some form of regular exercise
3. Spend time outdoors to get more Vitamin D.

Check the website below for more information and ideas.

Kindergarten Enrolments and Planned Movements In or Out of Area

Applications are open for Kindergarten Enrolments in 2016. All families with a child or children eligible to start school next year are encouraged to contact our Office and lodge an application to enroll. Any non-local families are advised they will also need to complete an “Out Of Area” expression of interest. These requests are considered later in the year, when local numbers are known, as it is a departmental policy that schools are unable to grow, based on out of area applications. We know this can be challenging for some families.

Kindergarten interviews have commenced this term, and it is important that the school gains an accurate reflection of school numbers for Kindergarten in 2016, so if you are aware of families who are yet to apply, please encourage them to do so.

Additionally, if you are aware that you will be moving out of the area and changing schools in 2016, it would be most helpful to the school office if we are advised. Similarly, if you are aware of families moving into the area, encourage them to enroll sooner, rather than later. Student numbers are reviewed from August in each year and staffing allocations are made based on expected numbers. A clear indication assists in appropriate and effective management of all resources.
PLEASE NOTE

A 2010 study by the University of Sydney has confirmed the importance of school students setting and pursuing 'personal bests' in achieving success. The results of the study showed that students who pursued academic 'personal bests', were significantly more likely to achieve at a higher level, complete homework, participate in class, enjoy school, hold positive educational aspirations, and persist at school tasks longer.

The results of the study confirm the benefits of 'personal bests' over time - that pursuing 'personal bests' in one year can have significant and positive reach into a student's academic life today and also one year later. These results are a timely reminder that genuine educational progress is when individual students strive to reach and attain personal excellence. Both girls and boys benefit from positively adjusting their expectations of success based on their previous personal best, and motivating themselves by attempting to beat that prior personal best.

There is real educational merit in encouraging students to compete with themselves - more than compete with others. The energising properties of competition can be retained, but we eliminate the often counterproductive and dispiriting process of excessive comparisons with others.

At Engadine Public School we hope to use these personal bests for students to determine goals for their achievement and to help give all students a more effective and inspiring way of doing well at school. This is relevant to both high achievers who often outperform lots of other students but who might not be working to personal potential or capacity, and lower achievers who feel they are unable to achieve.

We hope all teachers and families can support us in this. It is important because those who actively instil and sustain this focus of personal bests will not only be assisting outcomes, but also teaching a valuable orientation to life more generally.

What more can we ask of a student than to strive for personal excellence?

**MINDQUEST 2015**

St George Girls High School
Victoria Street, Kogarah

On Saturday 12 and Sunday 13 September 2015 the 76th NSW Talent Enrichment Weekend MINDQUEST will be held for primary students from years 1-6 at St George HS. These include gifted and talented students, gifted underachievers and students with above average ability with a special interest. Students will have an opportunity to participate in over 38 exciting, fast paced courses in the two day program. They include courses in chemistry, earth sciences, drama, Lego robotics, art and much, much more. Many of these highly successful courses have been run in the past and students’ evaluations suggest that they have been challenged and enriched by the experience. The cost of the weekend is $180 (including GST).

Contact the school office for a brochure or ring Shelagh Poray 4232 2494.

Closing date is Monday 17 August 2015.
Throughout the school year, teachers focus on developing skills to building positive relationships among peers—some children learn these through experience and others need to be taught these skills specifically in order to apply them. The focus of our teaching points will last for blocks of two weeks, and will be placed in the newsletter.

**Social Skills Topic 9: Asking An Adult for Support**

Parents, we ask that you too go through these skills with your children, and discuss the dos and don’ts. Perhaps you can ask them if they have tried some of the strategies and what the result was. Children learn best when they are supported from both school and home with a consistent message. Your assistance is greatly appreciated.

### Do’s

- Make sure you have tried other ways to deal with being given a hard time, before you ask an adult for support.
- Make sure you really want to stop the annoying behaviour, not just get them into trouble.
- Ask them to stop the behaviour e.g. “Stop pushing”. If they continue say “If you don’t stop, I’ll go and ask the teacher for support”
- Approach a teacher, look in their eyes and stand tall
- In a firm voice, tell them what the problem is and what you have already tried to do to deal with it

### Don’ts

- Don’t ask for adult support until after you’ve tried to deal with it yourself.
- Don’t just try to get the other person into trouble.
- Don’t choose an inconvenient time to talk to the teacher (unless it’s an emergency).
- Don’t look up in the air or down at the ground.
- Don’t use a whingeing or complaining tone of voice.
- Don’t keep threatening to ask for support. Just say it once and then do it.

**Return of loaned underwear.**

Please return any loaned underwear to the school office, as our supplies have dwindled and we need to cater for any pressing needs.

We have a very small supply held in case of “accidents” and so would really appreciate their prompt return.
Free School Readiness Seminars.

Sutherland Shire Council, in conjunction with local public schools, is hosting free ‘Preparing your Child for School and Beyond’ seminars. The seminars will help guide parents as to their child’s readiness for Kindergarten. Parents will also learn practical tips to help prepare their child for the classroom.

Join us, irrespective of where your child is starting school.

Time: ........ 6.30pm-8.30pm

ON LINE PAYMENTS

We now have the facility to make payments on-line.

Cash, cheques and credit cards are still acceptable, however, you have the choice to pay for excursions, school contributions etc., run by the school on-line.

You CANNOT pay for Uniforms, Book club, Banking, Lunch orders, canteen special promotions e.g. Hot Dog Day or any other activity run by the P & C as they have their own finance system which is not connected to the school.

Please note, if you pay on-line you will not receive a receipt from the school but you will have the option to print a receipt or email a copy of the receipt to yourself during the first step of the payment process. When you pay on-line you still need to return any permission notes to the school. Students without a permission note will be unable to attend an excursion.

The cut-off time for payments is 6pm and any payments made after this time will go onto the following day’s banking. Please be aware of this when nearing the Due Date for activities so your child does not miss out i.e. payment made on-line Monday 13/7/15 shows on the account on Tuesday 14/7/15. If the payment is made after 6pm it will not show until Wednesday 15/7/15.

PLEASE NOTE that for privacy and security of data, no student or card details are maintained within the Westpac or School site therefore you must enter the card details with each payment.

To make a payment on-line, got to the School Website and click on box [MAKE A PAYMENT] and then follow the steps:

Student Registration Number— Leave this blank

Date of Birth— is needed to assist the school in distinguishing students with similar names

Errors- are shown in red. You need to fix these “errors” to progress to the next screen.

Cards Accepted— are Visa or MasterCard only. Account numbers are masked on any reports to the school.

If you make an error, contact the school on 9520 8559 and the transaction can be cancelled.

School Gates—Opening and Closing Times

The school’s supervision roster starts from 9:00 am. As a school community, we are always most concerned for the safety and wellbeing of the students of our school.

From Week 5 of this term, gates will not be opened until 9am, as there are no appointed staff available to ensure the safety of children in the playground prior to that time. Whilst teachers may be at school preparing lessons or other tasks, it is a condition of their employment that they are not required to supervise students prior to the 9:00 am buzzer, and neither can they be guaranteed to be here every day, prior to 9:00 am.

As a school, we well understand that many parents have commitments at work which require them to leave Engadine before 9:00 am. However, there is available nearby the school, an Out of Hours School Care service which operates every school morning. The staff there walk the children to school and deliver them inside the gates at 9:00am each day.

As an alternative, parents may be able to make arrangements with friends or neighbours for the supervision of their children. Some families in the school with working parents take turns to take each other’s children to school. As well, many employers will be sympathetic to parents with responsibilities for caring for children and will allow some flexibility in parents’ working hours. By law, employers are restricted from treating an employee detrimentally on the grounds of their status as a carer.

Whatever arrangements are made by families, parents and carers need to understand that they remain legally responsible for their child prior to 9:00 am when supervision begins. In the interests of child protection and safety, please ensure your child is not left unsupervised.

School gates are locked at 9:30 am, (9:25 am on Dernancourt) and reopened as soon as possible after the 3:30 pm buzzer. This is to ensure the safety and well-being of all students of the school. Gates are then re-locked at 3:45 pm. The only entry point through the school at alternative times is through the front Office. We ask that you support us in our endeavours to keep your children safe at all times.
Crunch and Sip happens daily throughout our school. Here are some Kindergarten students enjoying their fresh vegetables!

House captains have started collecting results each week from every class for the Premiers Sporting Challenge. As part of their role, they will be required to input data reflecting student achievements in their sporting activities each week.
